Company Introduction

Established on 30 September 2000, Bestrode Sdn Bhd had over 19 years of experience on installation and maintenance of industrial systems and equipment with focus on boiler and air pollution controls.

Over the years Bestrode Sdn Bhd had been awarded with and successfully executed works from new system installation (boiler, electrostatic precipitator, filter-bag, conveyors etc.) to repair maintenance works and plant major overhauls. Our client covering all spectrum of industries spanning from general production factory, saw mills, palm oil mills to electronic factories, cement plant, power plant and so on. Bestrode Sdn Bhd have active clients throughout Malaysia and in particular its native state, Sarawak.

Bestrode Sdn Bhd also had qualified and certified by **Department of Safety and Health Malaysia (DOSH)** as boiler and pressure part installer and repairer. Bestrode Sdn Bhd also registered with **Construction Industry Development Board Malaysia (CIDB)**, **Unit Pendaftaran Kontraktor Negeri Sarawak (UPK)**, **Kontraktor Berdaftar Kementerian Kewangan Malaysia (E-perolehan MOF)** and also qualified vendor for carry out boiler repair maintenance works for state power generation entity, **Sarawak Energy Berhad**.

Today Bestrode Sdn Bhd have three major branch of service and supplies:

- a. **System Installation**- Boiler, Electrostatic Precipitator, Water Treatment System, Ducting & Chimney, Filter-bag System, Vortex System, etc.
- b. **Repair & Maintenance** – Annual overhaul and repairs, Emergency response repairs, Specialty services like high pressure welding, Component repairs (Valve, Pump, Conveyor, Fan, etc.), Machining and fabrication works, etc.
- c. **Trading and Supply** – Industrial system part and component supply, Manpower supply.

Having capability of design, solution finding, fabrication, machining and site works execution under one roof, Bestrode Sdn Bhd able to meet its client's need on industrial operation and maintenance with fast respond, quality works and reasonable cost.
